## ELECTROMAGNETIC RADIATION AND HEALTH: EVIDENCE, DIAGNOSIS AND MANAGEMENT FRIDAY 7 MARCH 2014

**Venue:** Hallam Conference Room, Hallam St, London W1W 6JJ

0900: Registration

|  |  |
|--|--|
| 0930: Dr Damien Downing:<br>Rachel Nicoll<br>Professor Denis Henshaw:<br>Alasdair Philips:<br><br>Michael Bevington: | Welcome from the BSEM President<br>Introduction to the day<br>Electric and magnetic fields and health<br>EM radiation - what does it all mean for the layman?<br>EM radiation: the political and legal scene |
|--|--|

1045: Coffee

|   |  |
|---|--|
| 1115: Rachel Nicoll:<br><br>Alasdair Philips:<br>Professor Denis Henshaw:<br><br>Professor Martin Pall: | EM radiation and animal studies: making sense of the evidence<br>EM radiation and human studies<br>Electric and magnetic fields, childhood leukaemia and melatonin<br>EMFs, intracellular calcium imbalance and the NO cycle |
|---|--|

1250: Lunch

|   |   |
|---|---|
| 1350: Michael Bevington:<br>Dr Erica Mallery-Blythe:<br><br>Dr John Kelsey (Saferwave):<br><br>Alasdair Philips (EMFields): | Electrosensitivity: Symptoms and impact<br>Electrosensitivity: Clinical diagnosis and management and own research<br>Review of RF protection approaches, devices and testing<br>Reducing Exposure - EMF detection and remediation |
|---|---|

1530: Tea

|   |  |
|---|--|
| 1600: Dr John McLaren Howard:<br>Dr Jean Monro:<br>Dr John Kelsey:<br>Dr John McLaren Howard: | Biochemistry of electrosensitivity<br>Nutritional solutions<br>Earthing<br>Earthing case study |
|---|--|

1730 Finish
